This meeting is meant for those struggling with alcoholism and addiction. This is a closed meeting solely for Law enforcement, firefighters, military, and corrections. All active duty and retired members are welcome. No access to this meeting will be permitted without the password and live video. (Sorry, no phone calls or email access). This meeting focuses on recovery for struggling alcoholics trying to stay sober. Anonymity is highly required. All local, state, and federal personnel are welcome. This meeting is new and hopefully we can talk about our disease and daily work struggles in confidence.
